5. Matushkin A.D, Popova S.N. (2019+), Strictly balanced uniform hypergraphs and generalizations of Zero-One Law, *Discrete Mathematics*, on review.

Участие в конференциях

1. The 17th International Conference on Random Structures And Algorithms, July 27-31, Pittsburgh, USA
2. IX International Petrozavodsk Conference "Probabilistic Methods in discrete mathematics", May 30-June 2, Petrozavodsk, Russia
3. The Mathematics of Jiri Matousek, July 23-28, Praha, Czech Republic
4. The 18th International Conference on Random Structures And Algorithms, August 7-11, Gniezno, Poland
5. 2nd Russian-Hungarian Combinatorial Workshop, June 27-29, Budapest, Hungary
